

Hello! 🙌

I'm Elmi, and I'm delighted to welcome you to Elmi Botha Music School.

Teaching music lessons is not just my profession; it's my passion. With over 12 years of experience, I have had the privilege of working with students of all ages.

I focus on creating a vibrant and inclusive learning environment. I firmly believe that everyone can learn and play music.

Lessons are designed to be enjoyable, informal, and tailored to meet the individual needs and skill levels of the students. I'm very passionate and committed to unlock the hidden talents within each student, fostering a love for music and skill development.

In addition to practical lessons, I offer theory lessons to ensure a well-rounded musical foundation. The school provides numerous opportunities for students to showcase their talents, with an annual showcase, optional external exams, and various performance events throughout the year.

I strive to create a supportive and inspiring environment where students can explore, learn, and excel in any musical style.
